The Initiative

The partners

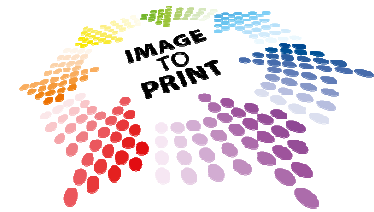

Sun Chemical, Windmüller & Hölscher, Nordmeccanica and **Janoschka** have joined forces within international Technology & Innovation Days themed “Image-to-Print”.

“Image-to-Print” is keen to support local printers, converters and brands, and aims that the provision of the workshop will provide an insight to printing best practice and future developments.

WINDMÜLLER & HÖLSCHER

janoschka

History

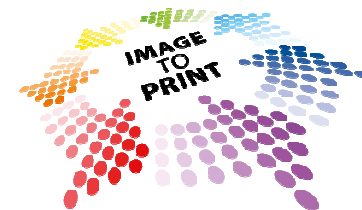

Born in 2008, starting in early 2009, the “Image to Print” road-show has travelled to 13 cities in 13 countries and has approached more than 2000 interested experts of about 1000 related companies.

Outlook

Further „Image-to-Print“ events are planned for
Far East and South East Asia, India,
and others to come ...

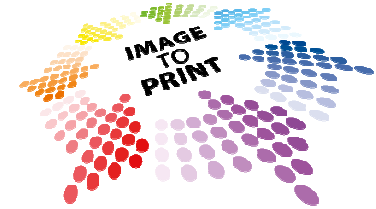

- For the respect of all, please put your mobile phones on “silence”.
- We hope that you all have left your business card and your company details with our hosts.
- No need to take notes, we will sent to each of you a DVD with all presentations after the event.

WINDMÖLLER & HÖLSCHER

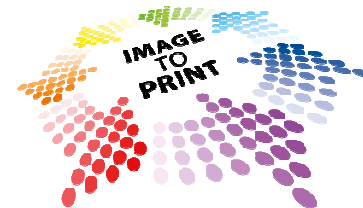

We wish you all
an enjoyable
and interesting event!
