

IMAGE TO PRINT

PRINTING TECHNOLOGY & INNOVATION DAYS FOR FLEXIBLE PACKAGING

THE ROADSHOW

- 21 stops in 17 countries with > 3.000 participants
- 1,5 days event incl. conference + company visit
- dedicated expert workshops + lectures
- networking programme

back in 2023!
Mexico + India

Image-to-Print is supporting local printers, brand owners and the finishing industry. The workshops provide insights into best practices of gravure and flexographic printing over the whole graphic supply chain.
