The Initiative

The partners

Sun Chemical, Windmöller & Hölscher, Nordmeccanica and Janoschka have joined forces within international Rotogravure Technology & Innovation Days themed “Image-to-Print”.

“Image-to-Print” is keen to support local printers, converters and brands, and aims that the provision of the workshop will provide an insight to gravure printing best practice and future developments.

WINDMÖLLER & HÖLSCHER

janoschka

History

Born in 2008, starting in early 2009, the “Image to Print” road-show has traveled to 10 Cities in 10 countries and has approached around 1200 interested rotogravure experts of about 750 rotogravure related companies.
