**Electric Cabinet
Assembly line**

An aerial photograph of a large industrial complex, likely a food processing plant, with several large warehouse-like buildings. Callout boxes with blue borders and white backgrounds point to specific areas. The background shows a river and a bridge. The foreground includes parking lots with cars and trucks, and some greenery.

Milestones in innovation.

1978-1980

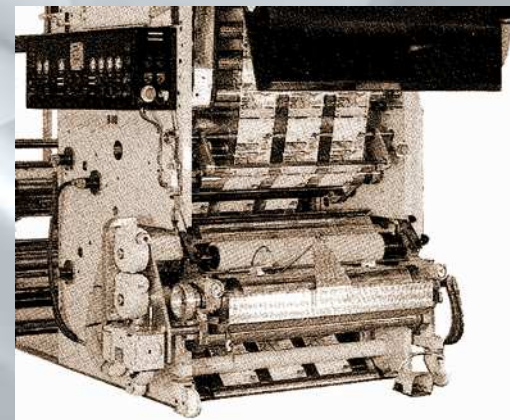

1st Modular design machine

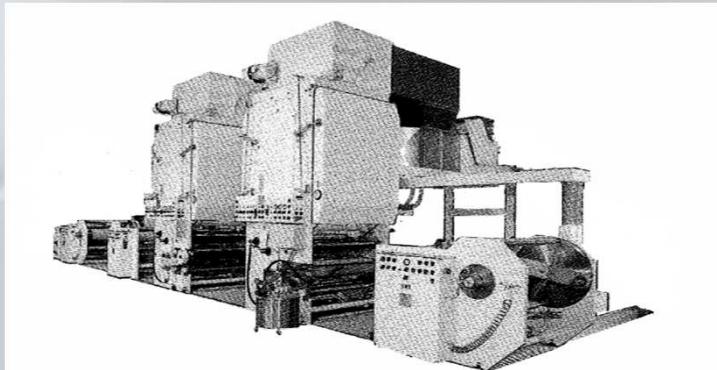

Semiflexo Coating Trolley

1st Release of coating units on trolleys

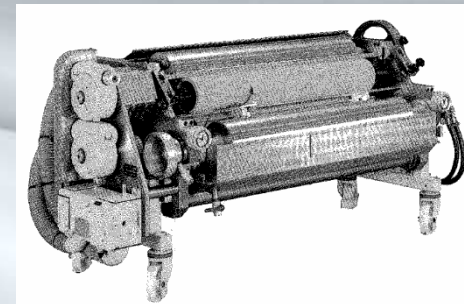

1st Release of Solvent Free Coating Unit.

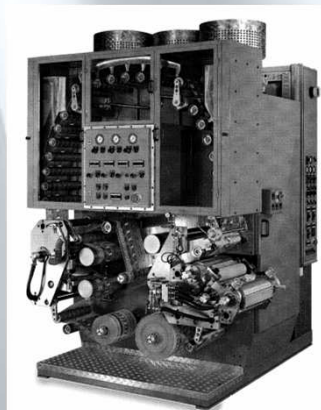

1981-1990

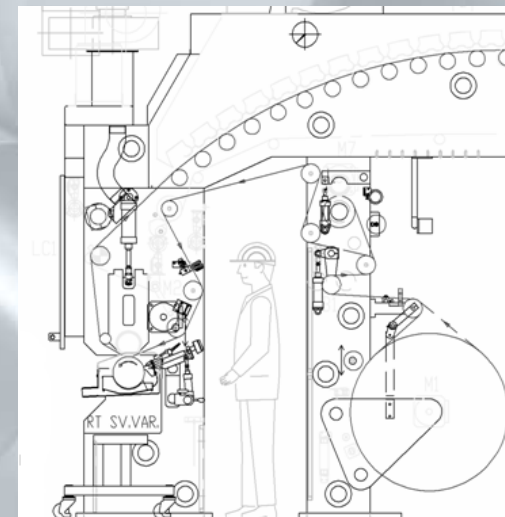

1st Triplex Combi

1st 5 rollers SL Coating Unit (NM Patent)

1st Labo machine

1st Cold Seal unit, in register, out of line.

1991-2000

“Simplex: the Concept”!
